

Welcome to Actorsworkshop's Spring 08 Term at Chapter Arts Centre. This term focuses very much on the performer in you! Learn how to integrate into the world of acting with ease, building your performance confidence and learning real, useable, hands-on acting techniques to enable you to become a more interesting and believable actor. Although each of the workshops stands alone, we strongly advise you to take part in as many as possible, in order to take advantage of the structured flow of topics that have been designed.

<p><b>JANUARY 10</b> <b>ENSEMBLE ACTING</b></p>	<p>A great start to this brand new term - meet new people, develop new skills in acting and performance and have a great time. Kick start your new year's resolution right here!</p>

## TEXT WORK

MARCH 13  
PART I

MARCH 20  
PART II

A two part session that gives you the chance to put into practice all those acting techniques. Working on some scenes from plays and films, you'll get the chance to try out all that you've picked up this term. A good opportunity to give performance a go!

## MARCH 27 PERFORMING: THE NEXT STAGE

So, what exactly happens at the final stage: The Performance? How do you relax? Cope with a live audience, nerves, remembering your lines and much more? A great final workshop to the term, giving you a great chance to tie up all those loose ends!
